- **Ethics** – Commit to complying with CFP Board's Code and Standards. This includes a commitment to CFP Board, as part of the certification, to act as a fiduciary, and therefore, act in the best interests of the client, at all times when providing financial advice and financial planning. CFP Board may sanction a CFP® professional who does not abide by this commitment, but CFP Board does not guarantee a CFP® professional's services. A client who seeks a similar commitment should obtain a written engagement that includes a fiduciary obligation to the client.

Individuals who become certified must complete the following ongoing education and ethics requirements to remain certified and maintain the right to continue to use the CFP Board Certification Marks:

- **Ethics** – Commit to complying with CFP Board's Code and Standards. This includes a commitment to CFP Board, as part of the certification, to act as a fiduciary, and therefore, act in the best interests of the client, at all times when providing financial advice and financial planning. CFP Board may sanction a CFP® professional who does not abide by this commitment, but CFP Board does not guarantee a CFP® professional's services. A client who seeks a similar commitment should obtain a written engagement that includes a fiduciary obligation to the client.
- **Continuing Education** – Complete 30 hours of continuing education every two years to maintain competence, demonstrate specified levels of knowledge, skills, and abilities, and keep up with developments in financial planning. Two of the hours must address the Code and Standards.

Item 4 Other Business Activities

- C. The supervised person is not actively engaged in any other investment-related businesses or occupations.
- D. The supervised person is not actively engaged in any non-investment-related business or occupation for compensation.

Item 5 Additional Compensation

Mr. Olivo's annual compensation is based, in part, on the number of clients that Mr. Olivo introduces to the Registrant. Accordingly, Mr. Olivo has a conflict of interest for recommending the Registrant to clients for investment advisory services, as the recommendation could be made on the basis of compensation to be received, rather than on a client or prospective client's best interests.

Item 6 Supervision

The Registrant provides investment advisory and supervisory services in accordance with the Registrant's policies and procedures manual. The primary purpose of the Registrant's Rule 206(4)-7 policies and procedures is to comply with the supervision requirements of Section 203(e)(6) of the Investment Advisers Act of 1940 (the "Act"). The Registrant's Chief Compliance Officer, Suzanne E. Kellogg, is primarily responsible for the implementation of the Registrant's policies and procedures and overseeing the activities of the Registrant's supervised persons. Should an employee, independent contractor, investment adviser representative, or promoter of the Registrant have any questions regarding the applicability/relevance of the Act, the Rules thereunder, any section thereof, or any section of the policies and procedures, he/she should address those questions with the Chief Compliance Officer. Should a client have any questions regarding the Registrant's supervision or compliance practices, please contact Ms. Kellogg at (703) 570-8651.
